

Student Safety Survey

Instructions: Please respond to the following questions so that your teacher can create an environment that is supportive of all class members when we address poetry that deals with the sensitive topic of abortion. You will note that this survey is anonymous and you are not asked to share your identity or name. Please take additional care not to reveal your identity in the content of your answers.

Please be aware that all teachers are considered “mandatory reporters” and are required to report any instances of neglect or abuse that are shared by students to the proper authority.
