

# Lesson #1 Instructions for Multimedia Presentation

Within your group, create a poster that will allow you to explain to the rest of the class the important details about the historical atrocity you researched. You need to provide the class with enough information so that everyone can fill in the Historical Atrocity Comparison Matrix.

You should include at least the following:

- ◆ 3 pictures
- ◆ 1 video (optional)
- ◆ 2 tweets
- ◆ 2 pieces of propaganda
- ◆ 1 Facebook post

You can either find these pieces online or create them yourself. Be creative!
