

## Lesson #2: Thinking About Groups

**Student Name:**

**Instructions:** Fill in the chart below and answer the questions. Provide complete answers (a few sentences or more) that show depth of thought/understanding.

	<i>Identify things that enable the group to work together successfully.</i>	<i>What things are necessary for each member to do?</i>	<i>How do members need to relate to one another?</i>	<i>What are the characteristics of the shared activity that all members must understand?</i>
<b>Basketball Teams</b>				
<b>Basketball</b>				
<b>Orchestra</b>				

1. What are the similarities between these different groups?
2. What are the differences between these different groups?
